

STATE SYSTEM

75 Odd numbers are north-south routes

195 First digit odd; spur into a city

**CALIFORNIA HIGHWAY PATROL
EMERGENCY TELEPHONE**

Dial Operator, ask for
ZENITH 1-2000

Use this number to report only an accident or
traffic emergency occurring outside of cities and
on city freeways not having special call boxes.
(On city streets, ask for local police.)

For non-emergency calls, use number listed
in telephone directory for Highway Patrol under
"California, State Of."

175 Red highway numbers indicate
Nevada state route changes
effective July 1, 1978.
